

JUST FOR FUN

North Head Sanctuary

NATIVE PLANTS BINGO

As you walk around the Sanctuary Loop, keep your eyes peeled for these native plants. Draw a cross over the plants as you find them. To get bingo, you need to get a full row going down or across.

Button Grass

Coast Banksia

Fuchsia Heath

Eastern Suburbs Banksia

Grass Tree

Grey Spider Flower

Heath Leaved Banksia

Mountain Devil

Shea Oak

- Shared bicycle/pedestrian path
- Harbour Trust boundary

FAIRFAX LOOKOUT

Whale trivia

What length can Humpback and Southern Right whales grow to?

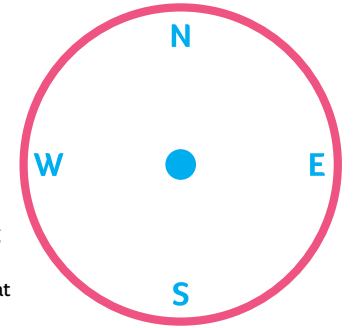

Answer:

Wind direction

Have a look at the compass and orient yourself to which way you are facing.

Now, take note of the wind and figure out which direction you think it is coming from.

Tip: look at which way the trees are blowing and which way the ripples on the water are moving. This will help you to determine what direction the wind is coming from.

1

GUN EMPLACEMENT 2 FACTS

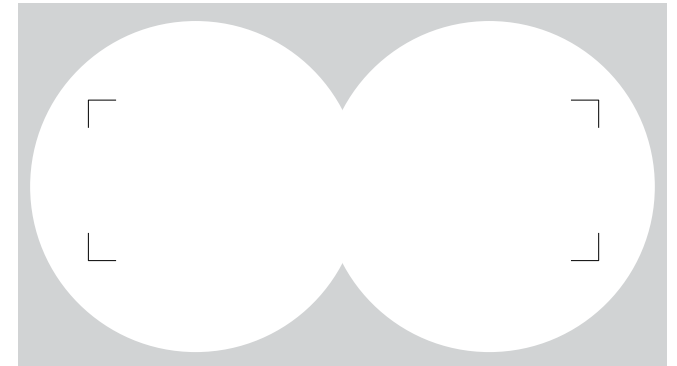

Read the sign at the gun emplacement and fill in the blanks:

There were _____ heavy _____ inch guns positioned at gun emplacement 1 & 2 during _____ at _____

2

CLOSE OBSERVATION POST

During World War II, this was used as an observation post where soldiers were stationed to look out for enemy ships. Look out to sea and draw what you see today:
