### SCHOOL GROUP EXPERIENCES

You can organise a range of great school group experiences during your stay. We offer curriculum-based education programs for primary and high school students (\$14 per student, teachers/supervisors free). Note: Programs must be arranged through the Harbour Trust's Education team. Due to demand, it is recommended you book at least 2 months in advance. Learn more and request a program:

Meanwhile, films screen at set times in the campground cinema each night and screenings can be attended free of charge. However, group cinematic experiences can be arranged through the accommodation team at a cost of \$290 for cinema hire. Note: The cinema has a capacity of 30 people. Further, marshmallows can be purchased (\$7 per bag) for toasting around the campfire (weather dependent).

Please indicate if your group is interested in a group cinematic experience for up to 30 people.
