

# Create a cockatoo puppet

Suitable for: 4 years and up with parent/caregiver supervision

30-60 MINUTES 

## WHAT YOU'LL NEED

- Printed activity sheet
- Pencils or markers
- Scissors
- Brass fasteners
- Paddle pop stick
- Sticky tape

## INSTRUCTIONS

- 1 Print the activity sheet.
- 2 Colour in the cockatoo body and wings.
- 3 Cut out all the pieces.
- 4 Line up the holes on the wings with the holes on the cockatoo body, so that the coloured sides are facing forward. Secure front to back with a brass fastener.
- 5 To transform your Cockatoo into a puppet, glue a paddle pop to its back.

## DID YOU KNOW?

Cockatoo Island received its name from the British during colonisation. It was named after the noisy cockatoos that once perched on the island's Angophora trees. However, the Eora also refer to the island as Wareamah, which means women's place.
